Compare and contrast the laser units from six leading projector brands as we present them side-by-side in our showcase area.

Take part in the showcase vote and win some great technology in our prize draw.

Meet the vendors in our mini-exhibition area and explore the features and benefits of their wider laser portfolio and the other key products on display.

Enjoy the renowned Pure AV hospitality with a buffet lunch, tea, coffee and cake, and perhaps even a few after show drinks. **#PureAVision**

ABOUT PURE AV

We've spent the last decade helping UK universities, museums and galleries, public sector and blue chip companies with AV and technology solution design, installation, consultancy and support.

We're a privately owned company, with 50+ staff, including some of the most experienced system designers, engineers and sales specialists in the AV field.

We don't offer 'one size fits all' solutions but work to understand customer needs and apply our experience to deliver creative, reliable solutions that offer a great return on investment.

THE
VENUE

This is Victoria Warehouse, a completely unique, entirely innovative event space right at the heart of Manchester.

SHOWCASE

You've read all there is about the move to laser projection. You've probably seen a number in action.

Now is your chance to take a closer look and see six of the leading brands side-by-side as we go old-school with our projector shootout.

Take part in the blind review process and in return we will enter you into our fantastic prize draw.

LUNCH

Whilst we gather the results of the showcase you can sit back, relax and enjoy lunch with the Pure AV team.

Using the very best seasonal ingredients, experience the finest flavours the catering team at Victoria Warehouse can conjure up.

VENDOR TIME

Take the opportunity to talk to our vendor partners and explore the extra technology on show in the mini-exhibition area.

Our partners will also utilise the Showcase space to demonstrate other key models from their projector ranges.

WRAP-UP

It's feedback time!

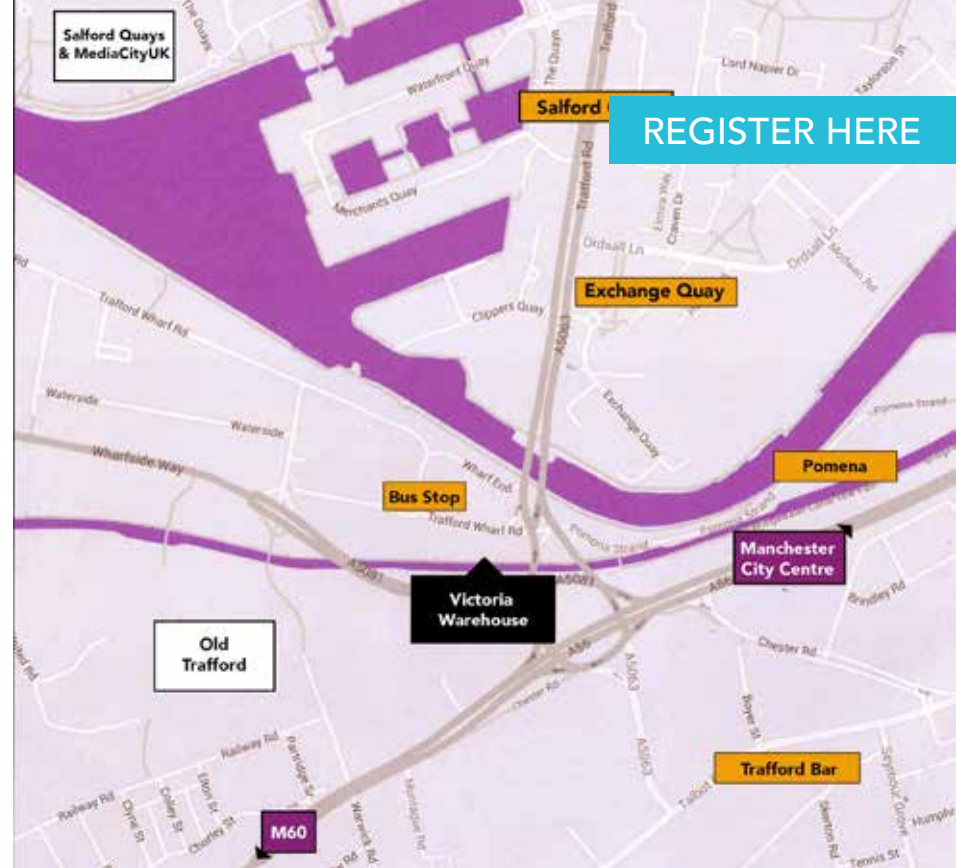

We will share the results of the laser showcase and conduct the draw where a number of lucky delegates will win some fantastic technology, including an iPad, TVs and cameras.

AFTER SHOW

Pure AV has developed a legendary reputation within the AV industry for providing hospitality par excellence!

Why not experience this yourself by joining us for some post-event drinks - we are in Manchester after all!
