

# **Bridges Out of Poverty Community Conference 2015 Sponsorship/Exhibitor Opportunities**

---

For the second year, Odessa Links is pleased to provide community partners from across the region a conference on how to better serve families living in poverty in our communities. This year with the title sponsor support from First 5 Permian Basin, we are excited to bring “The Bridges Out of Poverty” nationally acclaimed program to the Permian Basin.

This highly anticipated educational workshop will be held at UTPB- Multipurpose Room August 6-7th. It will feature two full days of continuing education, networking, and interactive sessions to engage the community in addressing poverty. The main goals are to work across all sectors of the community to address the root causes of poverty, support individuals as they build resources and achieve a sustainable community where everyone can live well. Last year, over 75 individuals attended and we anticipate over 100 this year.

It is a pleasure to invite you to participate in this annual conference as a sponsor. There will be promotion and recognition opportunities for all sponsorship levels and you will also receive a booth at the conference so you can promote your organization, its products or services.

If you are interested in participating, please complete and return the reply form to the Odessa Links office no later than Friday, June 26th so we may begin promoting your organization on our website and written materials. If you have questions or need more information, please contact Erika Chavez at Odessa Links 582-0099 [linksconference@gmail.com](mailto:linksconference@gmail.com) .
