

TAHOE STAR TOURS

NEED TO KNOW

Schedule

- 8:15 pm Check-in and greeting
- 8:40 pm Astronomy talk and s'mores at the fire pits
- 9:15 pm Telescoping viewing through Celestron telescopes
- 10:30 pm Close

FAQ

What if there is weather the evening of the event?

- We will try our hardest to make each Star Tour happen. However if Mother Nature interferes we will contact guests via email and/or cell phone to notify them of the cancellation. If an event is canceled, guests will be able to transfer to another tour night or receive a refund.

What can/can't I bring to the event?

-Please make sure to bring a jacket as it can get chilly during the Sierra nights and wear comfortable shoes since you will be walking on pavement for approximately 5-10 minutes. Due to the group size please refrain from bringing your own telescopes. We'll have three telescopes for participants to use. Dogs on leash are welcome.

How can I get information on further questions?

-If you have any further questions feel free to reach out to Tony directly by calling his cell phone at 775-232-0844

PARKING INFORMATION

GPS Address:
150 Northstar Dr. Truckee
CA 96161

You will park in Castle Peak Parking Lot #1

- Enter the parking lot at the Round-About
- Take your first right in the parking lot and the parking is in the first lot on the right hand side. (Across from the gas pumps)

Tony will greet the group at the parking area.

Please arrive no later than 8:15pm to join the group for the full experience.
