

Transitions of Care

As **Scientists** and **Practitioners** nurses assess the needs while providing and managing the care. Nurses as **Leaders** manage direct care, and serve as **Transferors of Knowledge** among the interdisciplinary care team while educating patients, caregivers and other health care members.

Ronald Reagan UCLA Medical Center - Tamkin Auditorium

757 Westwood Plaza
Los Angeles, CA 90095

Monday, December 14, 2015
0800 – 1700

Online Registration: <https://transitioncare.eventbrite.com>

Cost: **FREE Event**

Join us to learn the various levels of care and how nurses are uniquely skilled and positioned to lead successful care transitions between care settings. E.g. Skilled Nursing, Home Health, and Outpatient Care.

“**Transitions of care**” refers to the movement of patients between health care practitioners, settings, and home as their condition and care needs change.

Nurses will be awarded 6.5 ANCC contact hours for participation in the course.

UCLA health is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Provider approved by the California Board of Registered Nursing, Provider number 12511 for 8 hours.
