

WHAT IS DRIVE?

We're hitting the road and taking the scenic route, bringing something special to the regions!

Drive is an immersive, full-day PLD experience for educators of all levels to **connect, collaborate** and **learn**. We'll give you practical solutions to some of the issues facing schools today, giving you the skills and tools to accelerate your school forward.

CHOOSE YOUR WORKSHOP DESTINATION

- 1 RELATIONSHIPS-BASED LEARNING**
with Laurayne Tafa

Deep dive into the Relationships-based Learning (RbL) profile, the pedagogies that support effective RbL practice, while compiling a bank of resources to lead your teachers and school.
- 2 INNOVATIVE LEARNING: PEDAGOGY, PRACTICE & ENVIRONMENTS**
with Jacque Allen

Unpack Cognition's Innovative Learning Framework which enables teachers, leaders and whānau to drive impact and successful change in an innovative learning environment.
- 3 THE SPIRAL OF INQUIRY - HOW TO FOSTER COLLABORATIVE INQUIRY**
with Selena Hinchco

Moving beyond the 'getting to know' phases of the Spiral of Inquiry, this session focuses on growing collaborative inquiry with a school/ kura or across Kāhui Ako/Community of Learning. You'll walk away with strategies and tools to support collaborative inquiry.
- 4 UNDERSTANDING OUR SCHOOL DATA**
with Dr Shaun Hawthorne

Looking to get more out of your school data? This session gives you the skills to move beyond the collect, collate and surface analysis phase and start asking the questions that matter, using data to maximise teaching and learning in your school. You may even like to bring some of your own school's data to analyse.
- 5 THE NAVIGATOR**
with Dr Pip Arnold

Take a temperature reading of your school with *The Navigator*, a simple and versatile self-evaluation tool. Using the ERO indicators, this tool can be used to support your PLD Journal, future ERO visits and much more. Join us as we work through the tool and learn about the power it can hold for your school.
- 6 RE IMAGINING ASSESSMENT FOR NCEA**
with Neil Marshall

Cross Achievement Standard and subject boundaries by re imagining how assessment activities could look for NCEA. We'll delve into the experiences of three schools who have tried to innovate assessment to better meet the needs of their students.
