

Information about Children and Young People's Workshops SEND Information Day 2018

- These workshops will run at the same time as the parents' workshops:
Morning 11.15am - 12.30pm and Afternoon 1.30pm - 2.45pm.

- Each workshop will run twice – one will be for primary age children and one for secondary age children

Crafts - MK Play Association

A.M. Primary

P.M. Secondary

Robot Hands: Engaging craft that uses simple resources to create something amazing and fun.

Juggling Balls: An easy craft that becomes a fun skill game that you can play on your own or with other people.

Open Play Parts: Use your imagination to create something unique

Art Workshop

A.M. Secondary

P.M. Primary

Join local artist Sophie Bennett for a fun creative session exploring different ways of painting and printing. Work together on a large collaborative piece of art and make your own mini canvas to take home!

The Parks Trust - Outdoor activity

A.M. Primary aged 7yrs and over.

P.M. Secondary

Note this is an outdoor activity and parents will need to stay with their children if their child is likely to run off.

Children will be outside for the whole of the session and will need to wear warm layers and possibly waterproofs.

Wellies are also a good idea - children should wear two pairs of socks as wellies are cold footwear.
