GENERAL INFORMATION

General Information

OUR ORGANIZATION

The Rainbow Society of Alberta is a registered charity dedicated to granting wishes for children, between the ages of 3 and 18, who reside in Alberta and have been diagnosed with a life-threatening or severe chronic medical illness.

With the support of our community partners, we can make magical and memorable wishes come true for courageous children dealing with pain, frustration, physical limitations and challenges, hospital stays, and lengthy rehabilitation, all while trying to just be a child. The lasting effects of a wish come true for these children are immeasurable, and the memories made will boost their spirits on even their most challenging days.

"Thank you so much! We had a wonderful, whirlwind, exciting, once-in-a-lifetime vacation, thanks to you! Our family will be forever grateful for the memories and experience this trip has given us. Our stay at Give Kids the World Village was absolutely awesome, and all the volunteers and staff were amazing! We felt like royalty at every theme park, and had so much fun. We truly would not have been able to give our kids a trip as jam-packed and exciting as this was!"

5 year old Opal had her dream trip to Disney World come true!

CRA TAX RECEIPTING GUIDELINES

CRA Tax Receipting Guidelines

Canada Revenue Agency (CRA) allows registered charities such as **The Rainbow Society of Alberta** to issue tax receipts under the following guidelines. We adhere to these guidelines to protect our donors as well as the children in our wish granting program. An official tax deduction receipt will be issued if:

1. Property - usually cash or a gift - is transferred by a donor to The Rainbow Society of Alberta;
2. The transfer is voluntary; and
3. The transfer is made without expectation of return. No benefit of any kind may be provided to the donor or to anyone designated by the donor, except where the benefit is of nominal value.
4. A gift is a transfer of property, not of services. No donation tax credit is available for the performance of services rendered without remuneration or compensation. A professional who wants to receive a donation receipt for time and professional skill donated to a charity must first bill the charity for the services performed and then donate the amount he or she is paid back to the charity. This process shows that a true donation has been made and provides an audit trail for both parties. We are happy to facilitate this transaction.

To receive a tax receipt, you must provide your *full name and complete mailing address*.

In order to save on donated dollars, we issue charitable tax receipts by email, therefore an email address is required.

Gift Certificates and Gift Cards

If a company wants to donate a Gift Certificate or Gift Card, the following steps should be followed:

1. The Rainbow Society will purchase a gift certificate/card for an agreed-upon amount,
2. The company will make an equal cash or cheque donation to The Rainbow Society,
3. The Rainbow Society will issue a tax receipt to the company for the cash donation.
CRA Rationale: If the gift certificate/card is not ever redeemed, then the business has received a tax benefit for no cost to them. This process creates a simple paper trail and shows the donor's intent.

**Note:* An individual (not the issuing business) who donates a gift certificate/card to a charity is entitled to a tax receipt for the fair market value of the certificate/card.

Donating an Item (also known as a Gift-in-Kind)

If an individual or company wants to donate an item, the following steps should be followed:

1. The company donates an item and provides an official company invoice showing the "fair market value" of the item (GST is not included). **Hand-written invoices cannot be accepted.**
2. The invoice must clearly state "Donation" on it, with a total balance of \$0.00 left owing.
3. The Rainbow Society will issue a tax receipt for the fair market value.

Auction Items

Buying an item at an auction does not entitle you to a tax receipt, as you have received a tangible item in exchange for your money. However, you are eligible to receive a tax receipt for the difference of what you paid versus the fair market value of the item. *Example:* If you purchased a painting for \$1000 and the reported fair market value of the painting is \$500, you are eligible for a tax receipt for the difference of \$500. For an official donation receipt to be issued, the fair market value of the property the bidder receives cannot exceed 80% of the purchase price.

Sponsorship and Advertising

This kind of gift normally takes place at events such as a golf tournament, and is not eligible for a tax receipt. If a company pays for sponsorship and is receiving advertising at the event, only a non-tax deductible **Business Receipt** may be issued. *Rationale:* CRA deems that advertising the company's name is an advantage that has value.

If you have any questions please contact: **Craig Hawkins, Executive Director**, at 780-469-3306 or via email at craigh@rainbowsociety.ab.ca.
