

# YOU ARE INVITED

to join the health and wellbeing for learning (HPS service) as we share independent research that shows:

**WHEN:**  
Thursday 24  
August at 10.30 am

**WHERE:**  
**Cognition  
Education Ltd**  
Asteron House  
Level 5  
139 The Terrace,  
Wellington 6011

## NEW ZEALAND IS LEADING THE WORLD IN PROVING THAT A COMMUNITY DEVELOPMENT APPROACH

to health and wellbeing produces tangible results in attendance, achievement and unleashes student potential. The evidence confirms that schools in New Zealand engaging with the HPS service are achieving significantly better results.

## IN ADDITION WE ARE SHARING THE RESULTS OF NATIONWIDE RESEARCH

into the health and wellbeing issues parents are most concerned about, where they believe schools are performing well, and how we could improve.
