

# Melanoma Screening

Available for  
Dartmouth-Hitchcock employees

In memory of Jerry Landis Frankenfield, who had a 42—year career with the Hanover Fire Department holding various roles, most recently as the Deputy Fire Chief/Fire Marshal. Jerry passed away from Melanoma September 13, 2015. Jerry's wife Pat is a Melanoma screening activist & supports awareness of the importance of sun protection. This is a skin screening only , complementary of the D-H Lebanon Dermatology department.
