

Are you ready for a new opportunity, fresh start or to launch a career in healthcare?

Then join the Dartmouth-Hitchcock Certified Pharmacy Technician Apprenticeship Program!

You are invited to attend an orientation session to learn more about the Certified Pharmacy Technician Apprenticeship program offered by the Dartmouth-Hitchcock (D-H) Workforce Readiness Institute and Vermont HITEC on Thursday, May 4th.

Up to 12 individuals will be selected for this intensive 9 week training program and graduates will be hired by D-H or Cheshire Medical Center and enrolled in a 2000 hour U.S. Department of Labor Registered Apprenticeship. All positions are full-time and graduates are offered a competitive wage benefit package.

WHAT WILL YOU LEARN:

Selected candidate will participate in college-level classroom learning and spend significant time shadowing in the D-H Inpatient and Outpatient Pharmacies.

Coursework includes:

- Medical Terminology, Anatomy & Physiology and Pathophysiology
- Pharmacology
- Healthcare Professional Communications & Documentation
- Processing and Handling of Medications and Medication Orders
- Sterile and Nonsterile Compounding
- Procurement, Billing, Reimbursement
- Inventory Management
- Patient and Medication Safety
- Technology and Informatics
- Certification Preparation for Pharmacy Technician (PTCE)
