

MONTHLY PARTNER BENEFITS

Since 2012 we have been rescuing and redistributing fresh and nutritious food to those in need in our local community

The need for this assistance within our community is now greater than ever before, with demand up by 15% on last year.

Your donation will directly benefit local people in need ...

- For every \$1 donated Shepparton Foodshare rescue approximately 5kg of food valued at \$12.50, and
- Every \$1 donated equates to 10 meals (assuming each meal is 500gms)

Your donation will also benefit the environment ...

- Rescuing food reduces landfill. Since its inception Shepparton Foodshare has rescued approximately 1.5 million kilograms of food that would have ended up in landfill

In addition to supporting your local community, becoming a monthly partner of Shepparton Foodshare will deliver the following return on your investment ...

- A short video clip produced that features you and your business and why supporting Shepparton Foodshare is important to you. This clip can be used on your online and social media communications.
- Your business featured on the Shepparton Foodshare website during the month and a listing for 12 months with a link to your website.
- Recognition and a 'tag' of your business on the Shepparton Foodshare Facebook page, which has more than 700 followers.
- A digital decal stating the direct benefit of your generous contribution for use in your print, online and social communications.
- Recognition on the Shepparton Foodshare Blog page located on the Shepparton News website.
- Your logo on the Shepparton Foodshare van during the month that you partner (this benefit only available to businesses that partner for two months or more).
