

Diane Littlewood is the Vice President for Care Management and Best Practices. She previously served as Director of Education and Strategic Partners for the Geisinger Health System, where she was responsible for the orientation and onboarding of new staff entering Care Coordination and Integration including Case/Health Managers, Community Health Assistants and other members of an integrated health care team. Diane was integral to the startup and maintenance of the medical home model, Proven Health Navigator, as well as the Keystone ACO.

Ms. Littlewood received her diploma in Nursing from Hahnemann University in Philadelphia and a Bachelor's of Science in Nursing from Misericordia University. She has completed an MSN: Leadership in Health Care Systems. Her experience also includes disease management with a focus on diabetes as a Certified Diabetes Educator and designated Certified Tobacco Cessation Counselor. Diane is certified in case management (CCM) and serves as President of the Danville Chapter of the Case Management Society of America.
