

Christchurch 25 June 2015

Education. Inspiration. Application

8.30am to 4.30pm

CDHB Design Lab

17 Print Place, Middleton, Christchurch

An introduction to the field of health informatics, designed for clinicians and health sector managers. Participants will learn about informatics and gain confidence in how to interact constructively with information technology projects.

## What is health informatics?

## How is it reshaping health care globally?

## What is happening locally and how can you contribute?

### Registration

**earlybird only \$89** incl gst (before 31 May)

Registration after 1 June is \$149 incl gst

Special rate of \$79 for Lab Meeting delegates

Lunch and am/pm tea provided. Maximum of 100 delegates.  
To reserve a seat please email [admin@hinz.org.nz](mailto:admin@hinz.org.nz).  
Payment via Mastercard, Visa or on invoice.
