

Trish Nixon, Managing Director & Head of Capital at CoPower

Trish is Managing Director and Head of Capital at CoPower, Canada's first clean energy investment platform. In her role she leads product development, fundraising and investor relations, and sits on the Investment Committee overseeing project financings.

Trish has spent her career working to accelerate impact investing, primarily in private markets. In prior roles at MaRS Discovery District, she provided advisory services to investors and intermediaries, founded a social venture accelerator and led venture services for the SVX investment platform. She also spearheaded the development of the MaRS/Virgin Unite Catalyst Fund. Trish is the 2016 Recipient of the Edward Newton Award for Social Innovation and co-recipient of the 2017 Clean50 Award for Environmental Entrepreneurship. She holds a Masters of International Relations from the University of St. Andrews.
