Grey Area Mitigation for Hybrid RANS-LES Methods

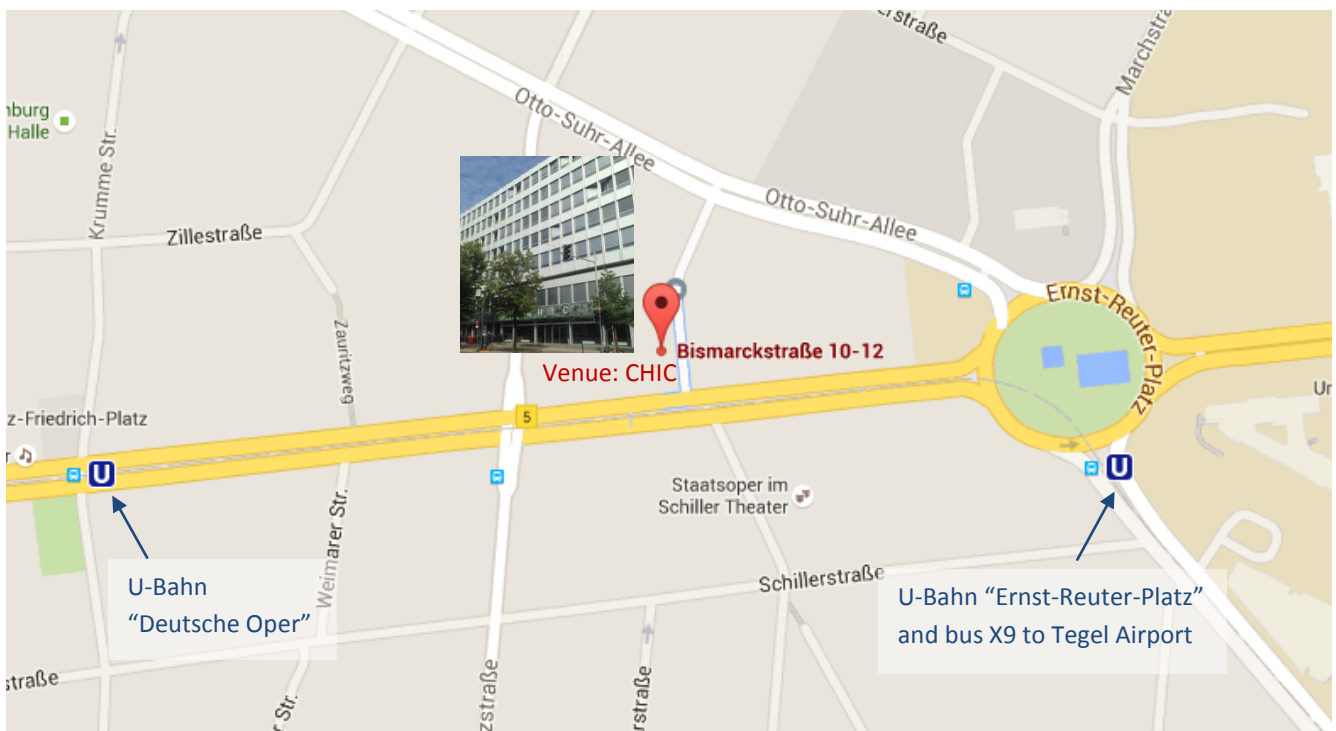

FINAL OPEN WORKSHOP

Travel and Accommodation

Travel information

The workshop venue is centrally located in the Charlottenburg district of Berlin:

CHIC, Bismarckstr. 10-12, 10625 Berlin

Tegel airport is recommended, since there is a very convenient 15 minute bus service (the X9) departing every 10 minutes and stopping at Ernst-Reuter-Platz. If your flight is to Schönefeld airport, plan about one hour for a public transport connection to the workshop venue. For arrivals by rail, public transport connections from Berlin Hauptbahnhof to Ernst-Reuter-Platz take roughly 15 minutes. Please consult Berlin's public transport website (available in English) to find a connection and an up-to-date S-Bahn and U-Bahn map.

Accommodation

We strongly encourage you to **book a hotel as soon as possible**. Here are some suggestions near the meeting venue (prices are quotes from hotels.com and subject to change).
