8 a.m. to 4:30 p.m. Nov. 14, 2019
Girl Scouts of Gulfcoast Florida
Event and Conference Center
4740 Cattlemen Road
Sarasota, Florida 34233

We invite you to join us as a workshop exhibitor

Sarasota County UF/IFAS Extension and Sustainability and the organizing partners of the 14th Annual [Sustainable Communities Workshop](#) invite you to offer your products, services, and programs at our event.

If your organization is helping to build a sustainable, healthy, clean-energy, resilient, and resource-conserving marketplace, exhibiting at the Sustainable Communities Workshop is a vehicle for promoting your products, services, programs and technologies. It provides a once-a-year opportunity to meet sustainability leaders and potential clients looking for ideas and solutions.

Join us for a unique opportunity to target an audience that includes the region's homeowners, developers, builders, land planners, architects, engineers, and state and local government representatives. Showcase your sustainable solutions for water, energy, and infrastructure demands; renewable and alternative energy; resource conservation; electric vehicles; recycling and reuse; clean tech; green business; ecotourism; local food; health improvements; and development and housing choices. Approved exhibitors may offer coupons, enlist volunteer support, and/or offer products for sale at their table during the workshop (locally sourced or produced products are encouraged).

Exhibitors will be provided a booth space with one 8-foot table, two chairs and two complimentary registrations. We ask that each display or exhibit be staffed by someone from your organization. If you need additional chairs and/or tables, have special needs, or wish to be located outside, please notify Sara Kane, Sarasota County Extension sustainability program coordinator, at 941-861-5000 or email sustainablesarasota@scgov.net.

- Set-up is noon to 5 p.m. Nov. 13, or 7-8 a.m., Nov. 14.
- Breakdown will take place only after the closing remarks on Nov. 14.
- Check-in at the entrance.

Exhibitor space is available, upon approval, for a fee of \$75 and includes two complimentary registrations. Additional staff beyond two must register to attend. Spaces are limited and will be assigned to the first applicants who have been approved and paid. Please submit your exhibitor application form (below) for review and approval by Oct. 14, 2019. You will be notified upon approval and then asked to pay online through uhsarasotaext.eventbrite.com OR mail a check made payable to **Transition Sarasota*** (with **2019 Sustainable Communities** in the subject line).

Send, email, or fax your Exhibitor form (and payment made to Transition Sarasota by check, if not [paying online](#)) by Oct. 14, 2019, to:

Sarasota County Sustainability
