8:55 – 9:10 AM	Session 1: Celebrating Lake County's Strengths Michael Stevens President and CEO <i>Lake County Partners</i> The Lake County Promise
9:10 – 10:10 AM	Session 2: Preparing for Our Future: What Could Lake County Look Like in 20 Years? Tyler Norris Vice President of Total Health <i>Kaiser Permanente</i> What will it take in the foreseeable future for Lake County to be one of the best places in the Country to live, learn, work, and recreate? Making this vision a sustainable reality will require intentionality from the County as a whole, as we Together examine our strengths and all of our needs. Moving beyond just "doing good things" to building an organized strategy to accomplish shared accountability for community conditions and community health is critical to our shared successful future.
