Stephen is rated as one of the top 3 lecturers at one of Europe's top MBA Business Schools. He has a reputation of taking complex management concepts such as Project, Programme Change and Crisis Management and being able to distil them down, into highly informative and fast lectures - often using "storytelling" techniques.

His attitude is "if you haven't done it – you shouldn't be teaching it!"

Unusually, for an academic, he has actually spent most of his working life in real business and still runs his own, highly successful, Project Management Company (his client list now reads like the FTSE/Dow top 100!)

Stephen is an unusual blend of Academic, Businessman and Teller of Tales. He has taught in UK, US Europe, Japan, Taiwan, UAE, Saudi Arabia, Singapore, Hong Kong and Australia and has appeared on National Radio and TV.

Stephen has undertaken numerous assignments for many, many clients in the UK, Europe, the Middle & Far East. Examples:

Goldman Sachs	BQF	Arriva
Barclays	BP	ENI
Morgan Stanley	IRM	APM
Linklaters	Merrill Lynch	PMI
Threadneedle	Sodexo	Nestle
