The **Humdingers** have entertained audiences for almost 40 years and collectively bring to the stage over 100 years of barbershop and a cappella singing experience. The **Humdingers** are truly unique, as no other barbershop quartet in the world performs with the antique Deagan Organ Chimes while dazzling audiences with original tap dance and straw-hat routines, and they've entertained throughout all of North America and many foreign countries, including a recent tour of Japan. The **Humdingers** are thrilled to be performing for you tonight and hope you enjoy their unique style of barbershop entertainment!
