

Fayette County High School Band Boosters

Gospel On The Green

Program Ads and Donations

The FCHS Band Boosters invite you and/or your company to support our fundraiser by placing an Ad in our program or by making a donation to the FCHS Band Program. Our event, "Gospel on the Green" will be held at the Southern Grounds Amphitheater on May 3, 2014 starting at 6 PM.

"Gospel on the Green" is a fundraising event benefiting the Fayette County High School Bands. Proceeds from this event will help with purchase of much needed instruments, sheet music, music camps and much more. The bands rely on community support through fundraisers along with student's fees to successfully run this program. Charity events such as this help us meet our financial obligations.
