

Northwestern States Regional Conference: Residents and Preceptors

May 13, 2017

Presented by Oregon and Washington Pharmacy Residency Programs

Day off schedule: *Schedule as of 5/11/17*

8:00 - 8:45	Welcome breakfast & Registration Registration booth: Chelsea + associate, + 1 helper (7:30 arrival)				
8:45 - 9:45	MC: Zach McCall Keynote Speaker Presentation(CE): Professional involvement/leadership in residency training Presenter: <i>Lea Eiland from ASHP Board of Directors</i>				
10:00 - 12:50	Resident presentations	Anticoagulation	Managed care	Inpatient management & Service implementation	Transitions of Care Specialty: Infectious disease
1:00 - 2:00	MC: Brandon Nuziale and Rebecca Britton Lunch & Preceptor Development (CE): Actionable feedback for pharmacy learners Presenters: <i>Melanie Foepfel, Eddie Saito, Sarah Deines</i>				
2:10 - 5:00	Resident presentations	Disaster preparedness Diabetes	Outpatient	Inpatient management & Service implementation	Specialty: Infectious disease (cont) Oncology
5:00 - 6:00	MC: Brandon Nuziale and Rebecca Britton Preceptor development (CE): Developing and Evaluating Critical Thinking Skills of Learners Presenter: <i>Juancho Ramirez</i>				
6:00 - 8:00	Evening reception with drinks and appetizers				

Resident presentations by room

Room A (3A003A): Anticoagulation, Disaster preparedness, Diabetes			Program	Presenter	Moderator
10:00-10:30	Anticoagulation	High vs low intensity heparin infusions for bridging patients with atrial fibrillation/flutter	Oregon Health & Science University	Calvin Diep, PharmD	Primary: Wendy Jenkins Secondary: Long Do
10:30-11:00	Anticoagulation	Protocolized warfarin reversal with 4-factor prothrombin complex concentrate versus 3-factor prothrombin complex concentrate with recombinant factor VIIa	Oregon Health & Science University	Marissa Hom, PharmD	
11:00-11:30	Anticoagulation	Evaluation of the efficacy and safety of rivaroxaban compared to enoxaparin for venous thromboembolism (VTE) prophylaxis in oncology patients after abdominal surgery	Oregon Health & Science University	Kelsey Mulverhill, PharmD	
11:30-12:00	Anticoagulation	Evaluation of conversion to dabigatran in patients prescribed warfarin with a time in therapeutic range (TTR) less than 50%	Kaiser Permanente Northwest	Jenna West, PharmD	
12:00-12:30	Anticoagulation	Comparing the Efficacy and Safety of Perfusionist-managed Heparin to Pharmacist-managed Bivalirudin in ECMO patients	Legacy Health	Franklin Phan, PharmD	
12:30-12:50	Tranexamic acid	Intranasal tranexamic acid for treatment of epistaxis in the emergency department	Oregon Health & Science University	Asha Birmingham, PharmD	
Lunch					
2:10-2:30	Disaster preparedness	Evaluation of Pharmacists' Role in Disaster Preparedness Across the State of Oregon	Oregon State University	Brian Haggblom, PharmD	Primary: Kristy Maffit-Schulter Secondary: Cassie Barton
2:30-3:00	Diabetes-AmCare	Effectiveness of a Pharmacy Diabetes Management Clinic Implementing a provider – pharmacist warm hand-off referral process to recruit patients and demonstrate improved clinical outcomes	OSU COP	Luis Gonzalez, PharmD	
3:00-3:30	Diabetes education	Retention of diabetes medication education one week after a one-time pharmacy consult	Legacy Health	Christa Johnson, PharmD	
3:30-4:00	Diabetes-Inpatient	Development and implementation of a pharmacist-led glycemic control program on inpatient medical, orthopedic and post-surgical units	Providence Medford Medical Center	Bonnie Jiron, PharmD	
4:00-4:30	Diabetes-Inpatient	Pharmacist-driven glycemic management in post-operative patients	PeaceHealth Sacred Heart Medical Center	Steven Barton, PharmD	
4:30-5:00	Diabetes medication	Evaluating Efficacy, Safety, and Cost Effectiveness of Liraglutide Use in Type 2 Diabetes Mellitus Veterans at the VA Portland Health Care System	VA Portland Health Care System	Vache Sharyan, PharmD	

Room B (1S040): Managed care, Outpatient practice			Program	Presenter	Moderator
10:00-10:30	Health plan- Complex patients	Using medication burden to stratify patient complexity and coordinate pharmacist involvement in team-based care	CareOregon	Andrew Hibbard, PharmD	Primary: Samantha Flores Secondary: Mika Michaels
10:30-11:00	Health plan- Contraception	Pharmacist-directed process improvement of screening documentation to optimize primary care clinic CCO contraception performance metrics	CareOregon	Pamela Chukwuleta, PharmD	
11:00-11:30	Health plan- Opioids	Development and implementation of managed care pharmacist-led opioid tapering initiative in a rural healthcare coordinated care organization	CareOregon	Cassandra Miller, PharmD	
11:30-12:00	Health plan- Opioids	Implementation of a Health Plan-Driven Opioid Tapering Program to Decrease Chronic Opioid Utilization for Conditions of the Back and Spine in a Medicaid Population	Moda Health	Julia Verhulst, PharmD	
12:00-12:30	Health plan- Hep C	Evaluating utilization and policy variances for antivirals for Hepatitis C in the Oregon Medicaid program	OSU/OHSU COP	Kim Vo, PharmD	
12:30-12:50	AmCare- Amiodarone	Evaluation of adherence to guidelines for amiodarone monitoring	OSU/OHSU COP	Melissa Smith, PharmD	
Lunch					
2:10-2:30	AmCare- Diabetes and Depression	Impact of pharmacist performed screening on the diagnosis of depression in diabetic patients	Pacific University School of Pharmacy	Joselyn Benabe, PharmD	Primary: Elise Phelps Secondary: Kara Shirley
2:30-3:00	Specialty- Mental health	Pregnancy Screening and Prevention in Female Veterans of Child-Bearing Potential Receiving Potentially Teratogenic Mood Stabilizer Medications	VA Portland Health Care System	Cassandra Abeyta, PharmD	
3:00-3:30	Specialty- Zolpidem older adults	Effect of a clinical pharmacy intervention plus mailing or mailing alone compared to usual care on zolpidem deprescribing among older adults	Kaiser Permanente Northwest	Louis Kouch, PharmD	
3:30-4:00	Outpatient- Medication synchronization	Assessment of a Medication Synchronization Patient Appointment Reminder Strategy and Impact of Missed Appointments on the Pharmacy	Fred Meyer	Briana Cosca, PharmD	
4:00-4:30	Outpatient- Education	Community Pharmacists and Veterinary Prescriptions: An Analysis of Prevalence, Type, Training and Knowledge Retention	Oregon State University	Michal Mingura, PharmD	
4:30-5:00	Outpatient- Marketing	Assessing the Impact of Marketing Strategies on Utilization of CDTA Services in a Community Pharmacy Setting	Fred Meyer	Ada Chang, PharmD	

**Overlap with lunch to accommodate resident presentations*

Room C (2S060): Inpatient management and service implementation			Program	Presenter	Moderator
10:00-10:30	Inpatient- Productivity monitoring	Capturing inpatient pharmacist activities to develop an internal productivity monitoring system	VA Portland	Johanna Peragine, PharmD	Primary: Elena Valcarlos Back-up: Yvette Holman
10:30-11:00	Inpatient- Management- Technician	Technician Checking Validation Program at a Central Oregon Community Hospital	St. Charles Health System	Alex Miller, PharmD	
11:00-11:30	Inpatient- TPN protocol	The Implementation of a Total Parenteral Nutrition Per Pharmacy Protocol at a Community Hospital	St. Charles Health System	Cody Weidenhaft, PharmD	
11:30-12:00	Inpatient- Informatics	Implementation of an Integrated Pharmacy Inventory Management Module within an Electronic Health Record (EHR)	Oregon Health & Science University	Todd Schwarz, PharmD	
12:00-12:30	Inpatient- IV room	Training, implementation and auditing of USP 797 and 800 regulations	Peacehealth Southwest Medical Center	Madison Block, PharmD	
12:30-12:50	Inpatient- Plasma med panel review	Impact of pharmacist interventions utilizing plasma medication panel review	Peacehealth Southwest Medical Center	Amanda Hack, PharmD	
Lunch					
2:10-2:30	Inpatient- Peer review process	Providing constructive feedback to acute care hospital pharmacists: implementation of a peer review process	Salem Health	Ryan Fedrizzi, PharmD	Primary: Lam Nguyen Secondary: Linda Nguyen
2:30-3:00	Inpatient- Geriatric	The Implementation of a Geriatric Order Set to Decrease the Number of Potentially Inappropriate Medications	Salem Health	Aaron Peck, PharmD	
3:00-3:30	Inpatient- RN education	Prospective analysis of providing nursing medication education on an internal medicine unit to improve Hospital Consumer Assessment of Healthcare Providers and Systems (HCAHPS) scores	Oregon Health & Science University	Jason Wong, PharmD	
3:30-4:00	Inpatient- Alcohol withdrawal	Evaluation of Acute Alcohol Withdrawal Treatment in Veterans at Veterans Affairs Portland Health Care System	Portland VA Healthcare System	Christopher Wilming, PharmD	
4:00-4:30	Inpatient- Opioid Team	Impact of an Inpatient Opioid Use Disorder Consult Team and Guideline	Legacy Health	Vie Hoefling, PharmD	
4:30-5:00	Inpatient- Diversion Program	Creation of a Controlled Substances Diversion Prevention Program	Legacy Health	Jessica Bai, PharmD	

Room D (3A003B): Transitions of care, Infectious disease, Oncology			Program	Presenter	Moderator
10:00-10:30	ToC- CHF	Targeted heart failure counseling - Impact upon readmission rates	PeaceHealth Sacred Heart Medical Center	Marta Stueve, PharmD	Primary: Courtney Sellers Secondary: Courtney Lujan
10:30-11:00	ToC- CHF	Evaluating outcomes of pharmacist driven transitions of care interventions in heart failure patients in two community medical centers	Legacy Health	Paola Acevedo, PharmD	
11:00-11:30	ToC- Discharge counseling	Effects of Discharge Counseling on Emergency Department Visits	Peacehealth.org	Shadi Khosravi, PharmD	
11:30-12:00	ToC- Interagency	Impact of a collaborative, interagency, pharmacist-managed transitions of care service	Virginia Garcia Memorial Health Center	Hannah Noh, PharmD	
12:00-12:30	Specialty- Hep C	Evaluation of cost-savings and response rates between Hepatitis C treatment regimens at VAPORHCS	VA Portland Medical Center	Julia Mwangi, PharmD	
12:30-12:50	Specialty- ID Vancomycin	Secondary Prophylaxis with Oral Vancomycin to Prevent Clostridium Difficile Recurrence among Hematopoietic Stem Cell Transplant (HSCT) Patients Receiving Systemic Antimicrobial Agents	Oregon Health & Science University	Jenny Shroba, PharmD	
Lunch					
2:10-2:30	Specialty- ID Pneumonia	Evaluation of Patients Receiving Second-Line Antibiotics for Pneumonia Due To Penicillin Allergy and Assessment of the Potential Impact of Utilizing PRE-PEN (Penicillin Allergy Skin Testing)	VA Portland Health Care System	Paulina Nguyen, PharmD	Primary: Katie Gazlay Secondary: Danielle Backus
2:30-3:00	Specialty- ID Program	Creation and implementation of a pharmacist-led infectious disease education program for physicians and pharmacists designed to reduce inappropriate broad-spectrum antibiotic use in a community hospital	Providence Medford Medical Center	Monica Ste Marie, PharmD	
3:00-3:30	Specialty- Oncology billing	Implementing provider status reimbursement with oncology clinical services	Peacehealth Southwest Medical Center	Angela Yuen, PharmD	
3:30-4:00	Specialty- Oncology-QTc	Assessment of current practice and development of a guideline for electrocardiogram monitoring in hospitalized oncology patients at risk for drug induced prolonged QTc intervals	Oregon Health & Science University	Amanda Kurtti, PharmD	
4:00-4:30	Specialty- Oncology-Tacrolimus	Intermittent versus continuous infusion of tacrolimus for prevention of graft-versus-host disease in hematopoietic stem cell transplant patients with hematologic malignancy	Oregon Health & Science University	Linda Blake, PharmD	
4:30-5:00	Specialty- Oncology-CML	Clinical outcomes and cost efficacy of reduced nilotinib dose intensity in chronic myeloid leukemia (CML)	Oregon Health & Science University	Ai Thi Nguyen, PharmD
