

In collaboration with The CLEO Institute's

## **ADVANCED CLIMATE LEADERSHIP TRAINING 2017**

**February 11 and February 25, 2017 – 8:30 am to 3:30 pm.**

Participants are expected to participate fully in both sessions.

Sessions held in Room 126, Cox Science Center  
on the Coral Gables Campus of the University of Miami.

**Contact Natalia Arias, Director of Programs, The CLEO Institute**

for further information about program.

305-284-0908 or [Natalia@CLEOInstitute.org](mailto:Natalia@CLEOInstitute.org)

---

These sessions are opportunities for participants to become sufficiently conversant with information on critical climate change topics and with adequate materials so that they can begin to effectively educate others.
