

Good Works Houston

Working Together to Deliver Sustainable Impact

Kimberly Johnston, Founder and CEO of Good Works Houston and **Roberto Moctezuma**, a Fortune 50 Executive and Startup Advisor invite you to the Houston Upward Mobility Challenge forum in partnership with Net Impact.

The Forum unites Houston thought leaders, social entrepreneurs and founders of impact ventures for a series of engaging plenary discussions on the Upward Mobility Challenges facing our Houston community and solutions empowering Houstonians.

Together let's empower Houstonians in need to attain a life of quality
