Program Objectives

After attending this program, learners should be able to:

1. Understand the increase and issues related to safety of home births.
2. Discuss the significance of DFM in pregnancies and decide appropriate management.
3. Reaffirm the importance of routine healthcare.
4. Identify possible causes and biases that may delay or shift focus of care from mother to fetus.
5. Review Pap smear screening guidelines and current available literature to assess the effectiveness of the current guidelines.

ACCME Accreditation

The American College of Obstetricians and Gynecologists is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA Category 1 Credit(s)[™]

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 5 ***AMA PRA Category 1 Credits[™]***. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

College Cognate Credit(s)

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 5 Category 1 College Cognate Credits. The College has a reciprocity agreement with the AMA that allows ***AMA PRA Category 1 Credits[™]*** to be equivalent to College Cognate Credits.
