## District Invitation to the BC/Yukon District Conference 2015

Greetings Friends,

On behalf of our District Leadership Team and Section Pastors, please accept our personal invitation to register for our annual District Conference on **April 27<sup>th</sup> through 29<sup>th</sup>**, in the beautiful city of Vancouver. We are grateful to **Pastor Darin Latham**, and the staff and volunteers of Broadway Pentecostal Church for hosting our delegates during this week. If you live outside the Lower Mainland, we would encourage you to extend your visit to our District Conference in Vancouver, and enjoy some of the beautiful sights, sounds and activities offered within this great Canadian city.

Our conference theme this year is "**MULTIPLY**", which is rooted in our firm conviction of **Acts 19:20** "In this way the word of the Lord spread widely and grew in power".

For several years we have invited plenary speakers from the United States to encourage us in the work here in Canada. This year, our conference design committee felt a deep conviction to invite Canadian Pastors who have experienced a season of supernatural anointing for multiplication. So it is with great joy that we introduce our evening plenary speaker, **Rev. Matt Tapley** (Lead Pastor of Lakemount Worship Centre in Grimsby, Ontario). We will hear from some local BCYD church planters, **Rev. Dan Cousins** and **Rev. Mike Bidell** during our Wednesday morning plenary session and enjoy a time of communion together on Tuesday morning.

Please come to our District Conference this year with expectancy and fervour in your soul to hear from God's Holy Spirit. We encourage you to register as soon as possible, using the Eventbrite registration system which is available thru our website, [www.bc.paoc.org](http://www.bc.paoc.org).

We're better together,  
Ken, Dave and Darwin

### DAN & STAR COUSINS

Dan and Star Cousins set out on a church planting mission after feeling a strong pull to return to Nanaimo where they first met and were later married in 1995. They began a home group meeting with their family that soon formed a church called Genesis Christian Centre that launched in January 2008. Now in her 7<sup>th</sup> year, Genesis is a thriving and growing body made up of many people who were far from God before they crossed paths with the Genesis vision of "Making disciples who learn their identity, lead with integrity, and live intentionally." Now regularly about 300 people strong, there is consistently new and unique stories of people impacted by the gospel and making decisions to follow Christ.
