

Odessa Links' 4th Annual Community Conference

2017 Sponsorship/Exhibitor Opportunities

Odessa Links is pleased to provide community partners from across the region a conference on how to improve the lives of children who have experienced abuse, neglect, and/or trauma in our communities. This year's topic is "TBRI Overview." Trust-Based Relation Intervention (TBRI®) is a holistic, attachment-based, and trauma-informed intervention that is design to meet the complex needs of vulnerable children. Created by Drs. Karyn Purvis and David Cross at the TCU Karyn Purvis Institute of Child Development, TBRI uses "empowering principles" to address physical needs, "connecting principles" for attachment needs, and "correcting principles" to disarm fear-based behaviors. In this 1-day overview, Dr. Cross will introduce attendees to relation trauma and TBRI principles and strategies.

This highly anticipated educational workshop will be held at the UTPB CEED building. To support this event, Odessa Links invites you to participate in this annual conference as a sponsor. There will be promotion and recognition opportunities for all sponsorship levels and you will also receive a booth at the conference so you can promote your organization or services.

If you are interested in participating, please complete and return the reply form to the Odessa Links office no later than Tuesday, February 28th so we may begin promoting your organization on our website and written materials. If you have questions or need more information, please contact Erika Chavez at Odessa Links 582-0099 linksconference@gmail.com .
