

Marnie Courage, O.T. Reg. (MB)  
CEO and Inclusive Design Consultant  
Enabling Access Inc.

Marnie is an Occupational Therapist from Winnipeg and the owner of Enabling Access Inc. which has been in operations for 15 years. With her team, Enabling Access provides rehabilitation, workplace health and inclusion, and accessibility services in Manitoba and Ontario. She is a trained mental health clinician and a Return to Work Specialist. She has a passion for increased accessibility and holds an Executive Certificate in Home Modification from the University of Southern California. Marnie designed and teaches *Creating Inclusive Workplaces - Accessibility to Accommodation* course at the University of Winnipeg's Human Resource Program. She sits on the Canadian Home Modification Council and established Safe Living Manitoba, a home modification assessment and consultation service to support people living with disabilities and those wanting to Age In Place. Marnie is also a Matheson Certified Ergonomic Evaluator Specialist (CEES), Certified Functional Capacity Evaluator, Post-offer Employment Testing Evaluator and has developed innovative Workplace Disability Management Services. She was awarded WCB's SafeWork Manitoba Research and Workplace Innovation Program grant in 2015. Marnie is a Certified Life Care Planner, specializing in brain and spinal cord injured clients, providing medical-legal expert services, internationally. Marnie is a dynamic public speaker, presenting regularly at conferences and workshops in her field.
