

Coming to Our Senses: Towards a Spirituality of Wine, Joy & Feasting

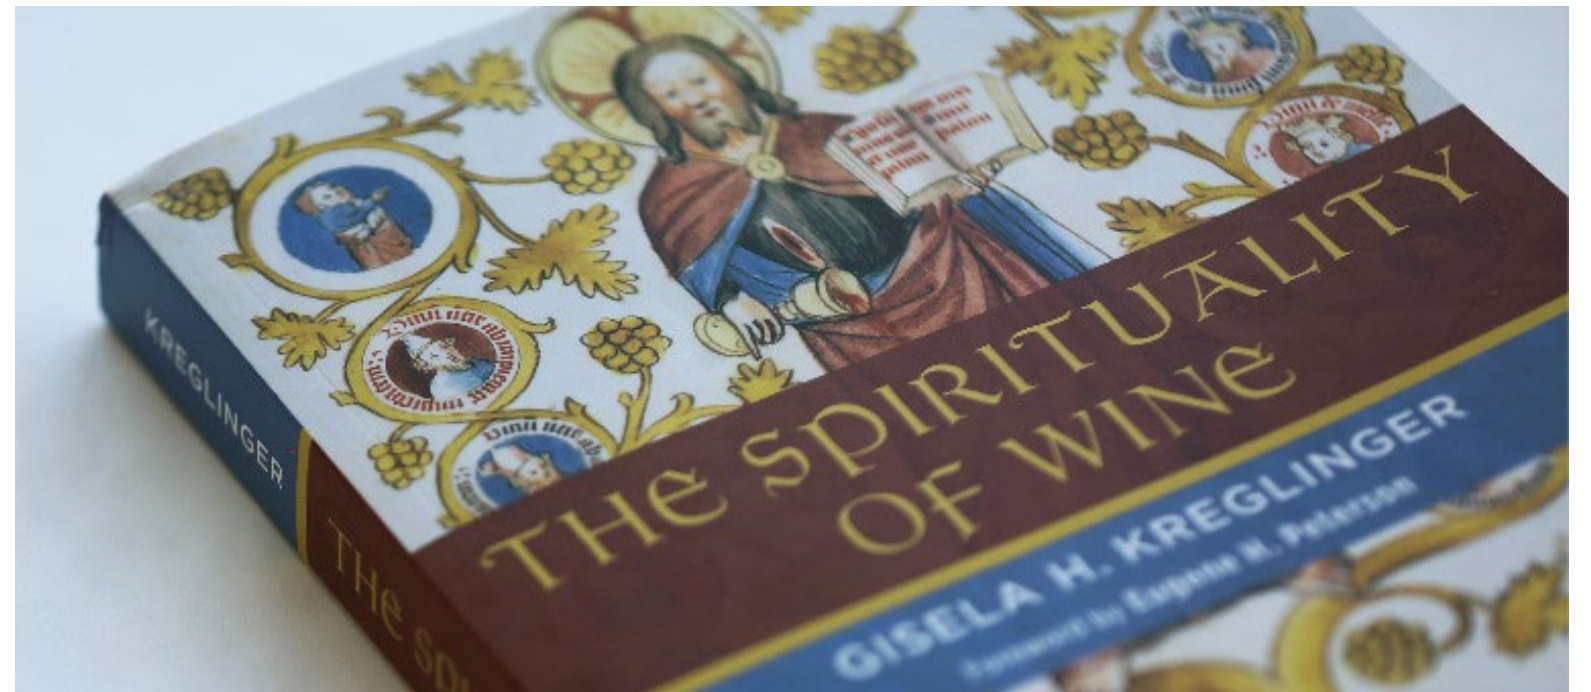

In this unique event **Dr. Gisela Kreglinger**, author of the book "The Spirituality of Wine", will lead us into an evening of exploring with all of our senses the importance of wine, joy and feasting for our spiritual lives.

Wine has always played an important role in helping communities foster a sense of conversation and conviviality around the table.

The evening will begin with a presentation on the spirituality of wine after which Dr. Kreglinger will introduce us to wine tasting as a spiritual practice. Come prepared to enjoy a full-bodied evening.

We will serve wine and bread during the wine tasting.

A discussion and book signing will follow. Books are available for purchase.

Dr. Kreglinger grew up on a winery in Bavaria in Germany, she holds a PhD in historical theology from the University of St. Andrews, Scotland and she currently travels the world spreading the good news in liquid form.
