

The Volunteer Lawyers Project is in its 40th year of providing equal access to justice to clients who face multiple social and economic hardships in the greater Boston communities and are underserved in our legal justice system. As we reflect over the last 40 years, your contribution and continued support to VLP allows us to pay it forward and continue our mission. Today we ask you to continue that support by becoming a sponsor of our 40th year celebration to help us honor the thousands of attorneys, firms, judges, and court programs that partner with us to help promote access to justice and provide countless hours of pro bono work.
