Benefactors Program: July 26 – 29
General Retreat Program: July 27 – 29

Namaste! You are cordially invited to spend a time of spiritual sanctuary and deepen your sadhana (spiritual practice) with Rudra Avatar Yogiraj SatGurunath Siddhanath at one of our 2012 New Life Awakening Retreats.

The Hamsa Yoga New Life Awakening retreats are very special events, unlike any other retreats you have attended. During these Retreats, you will learn very powerful and potent yoga meditation methods which lead you to self-mastery & enlightenment, continuously receive healing transmission of Shaktipat energy (Kundalini energy) from the Master, and get a boost to your spiritual progress by Shivapat (when he shares his Samadhi – Enlightened Soul Consciousness), which will speed up the evolution of your soul.

In addition, at the Elkins Park Retreat Yogiraj will perform a special Fire Ceremony, bestow Spiritual Names and Personal Mantras upon deserving souls and lead an alchemical tea ceremony of spiritual vibrations for the Benefactors.

These experiential New Life Awakening Retreats are perfect opportunities to recharge yourself and make significant progress in your spiritual practice. Each Retreat gives your true Self a period of spiritual renewal, quiet reflection, and further teachings from our beloved Yogiraj.

YOGIRAJ

Yogiraj Siddhanath was born in Northern India in descent from the ancient family of Ikshavaku Lord Rama of the Solar Dynasty. Though belonging to a royal family with all the comforts of palace life, Yogiraj was a born siddha and went into spontaneous enlightened states from the age of 3. Spiritually realized from this tender age, he eventually cast away his royal ties after completing his education and fulfilled his calling as a yogi.

He spent many formative years traveling in the Himalayas where he was blessed and empowered by Holy Yogis. His divine transformation flowered after his deep and personal experiences with Mahavatar Shiva-Giraksha-Babaji, the same mentioned by Paramahansa Yogananda in his seminal "Autobiography of a Yogi". With these blessings he was charged with the duty to spread the teachings of "Earth peace through Self peace" and spiritual evolution of consciousness through the divine science of Kundalini Kriya Yoga.

For over 40 years, Yogiraj has healed and transformed millions all over the world with his transmission of kundalini

Kundalini Kriya Yoga calms the heart and mind, lowers blood-pressure, reduces stress, relieves anxiety, dramatically improves digestion, helps with chronic illness, is a quick detoxification remedy, purifies the nervous system and mitigates effects of Karma. Aspects of mind such as thought, perception and attention are improved, refined and enhanced by regular practice.

Humanity our uniting Religion

Consciousness our uniting God

Shakti energy and shared freely his own Samadhi (enlightened state of peaceful bliss-consciousness). Yogiraj has taught yoga and spirituality to world leaders and has given experiential discourse before the United Nations, yet he prefers nothing more than to sit in the simple pristine forests of India and the sacred and majestic Himalayan peaks meditating on God-Bliss nestled deep in tranquility.

Yogiraj is a TRUE MASTER who, unlike a teacher, awakens you to the next level of spiritual experience. During these retreats, he offers the 3 distinct graces of a true Master – the spiritual impetus of Pranapat breathing through your breath, continuous healing transmissions of Shaktipat energy, and shares his own Samadhi – an enlightened state of peaceful bliss-consciousness, speeding up your personal spiritual evolution.

Retreat Offerings

1. During these retreats, Master Yogiraj transforms through the transmission of direct spiritual energy and His soul-consciousness. The participant often experiences energetic changes, such as a pleasant sensation of being like a 60-watt light bulb imbued and awakened with 1000 watts of energy.
2. Of enormous import is the opportunity to make personal contact with Yogiraj and receive answers to your most important and deeply felt spiritual questions during Q&A sessions every day.
3. Sacred teachings are imparted by spiritual initiation, in which you will learn basic and advanced yoga meditation methods which deepen your connection with the divine indweller and lead you to self-realization, including but not limited to (at the Master's discretion):
 - Kundalini Kriya Yoga - The crest jewel of Hamsa Yoga is the rejuvenating spiritual breath known as Shiva-Shakti Kriya, for the Evolution of Human Consciousness. Every cell becomes oxygenated and flooded with pranic life. This initiation empowers the practitioner to experience the expanded still mind, spheres of consciousness and bliss – one's natural state of enlightenment.
 - Jyoti Mudra – An advanced Kundalini Kriya Yoga technique which transforms your energy into light consciousness, allowing you to experience your own inner 3rd eye, and penetrate the center of transcendental consciousness.
 - Nabho Kriya – An advanced technique of Kundalini Kriya Yoga which perfects your mental equilibrium, balances your emotions, and brings energetic harmony to your life.
 - Siddhanath Surya Yoga - Self healing with solar power; a dynamic osmosis of solar pranic healing shakti.
 - Sacred ancient Mantras and devotional chanting.
4. Teacher training certification: Yogiraj will empower souls he deems ready by giving investiture into the stream of the Hamsasevak (servant of Humanity, apprentice in training to become authorized teachers), or hamsacharya (a sevak who is authorized to teach other sincere seekers the Hamsa and Kriya yoga of Master Yogiraj).

Meditated to furthering Human Awareness
Dedicated to serving Humanity as one's larger Self
Devoted to making Human life a happiness on Earth

Personal Mantra Empowerment

Receive your personal mantra for your life's journey from Yogiraj. The mantra is charged in a manner which will be unique to you, helping speed up your soul's evolution and spiritual progress. The recipient needs to keep the mantra to himself/herself and not divulge the mantra to others. The recipient is expected to honor in sacredness the personal mantra empowerment. For the vibrations of the personal mantra and/or spiritual name to be effective Yogiraj might rearrange certain karmas of the individual as well as take some of their karmas upon him. Giving a personal mantra and/or spiritual name comes with great responsibility for the giver as well as the receiver. The empowerment of Personal mantra and Spiritual Name are based on the science of sound vibrations.
