Benefactors Program: Aug 31 – Sep 3

Regular Program: Sep 1-3

Namaste! You are cordially invited to spend a time of spiritual sanctuary and deepen your sadhana (spiritual practice) with Rudra Avatar Yogiraj Sat Gurunath Siddhanath at one of our 2012 New Life Awakening Retreats.

The Hamsa Yoga New Life Awakening retreats are very special events, unlike any other retreats you have attended. During these Retreats, you will learn very powerful and potent yoga meditation methods which lead you to self-mastery & enlightenment, continuously receive healing transmission of Shaktipat energy (Kundalini energy) from the Master, and get a boost to your spiritual progress by Shivapat (when he shares his Samadhi – Enlightened Soul Consciousness), which will speed up the evolution of your soul.

In addition, at the Northwest Retreat Yogiraj will uplift attendees on an Astral flight (out of physical body experience), bestow Spiritual Names and Personal Mantras upon souls and lead an alchemical tea ceremony of spiritual vibrations for the Benefactors.

These experiential New Life Awakening Retreats are perfect opportunities to recharge yourself and make significant progress in your spiritual practice. Each Retreat gives your true Self a period of spiritual renewal, quiet reflection, and further teachings from our beloved Yogiraj.

YOGIRAJ

Yogiraj Siddhanath was born in Northern India in descent from the ancient family of Ikshavaku Lord Rama of the Solar Dynasty. Though belonging to a royal family with all the comforts of palace life, Yogiraj was a born siddha and went into spontaneous enlightened states from the age of 3. Spiritually realized from this tender age, he eventually cast away his royal ties after completing his education and fulfilled his calling as a yogi.

He spent many formative years traveling in the Himalayas where he was blessed and empowered by the spiritual supermen. His divine transformation flowered after his deep and personal experiences with Mahavatar Shiva-Goraksha-Babaji, the same mentioned by Paramhansa Yogananda in his seminal "Autobiography of a Yogi". With these blessings he was charged with the duty to spread the teachings of "Earth peace through Self peace" and spiritual evolution of consciousness through the divine science of Kundalini Kriya Yoga.

For over 40 years, Yogiraj has healed and transformed millions all over the world with his transmission of kundalini Shakti energy and shared freely his own Samadhi (enlightened state of peaceful bliss-consciousness). Yogiraj has taught yoga and

Kundalini Kriya Yoga calms the heart and mind, lowers blood-pressure, reduces stress, relieves anxiety, dramatically improves digestion, helps with chronic illness, is a quick detoxification remedy, purifies the nervous system and mitigates effects of Karma. Aspects of mind such as thought, perception and attention are improved, refined and enhanced by regular practice.

spirituality to world leaders and has given experiential discourse before the United Nations, yet he prefers nothing more than to sit in the simple pristine forests and mountains, and meditate on God-Bliss in tranquility.

Yogiraj is a TRUE MASTER who, unlike a teacher, awakens you to the next level of spiritual experience. During these retreats, he offers the 3 distinct graces of a true Master – the spiritual impetus of Pranapat breathing through your breath, continuous healing transmissions of Shaktipat energy, and shares this own Samadhi - enlightened state of peaceful bliss-consciousness, which speeds up your spiritual evolution.

Retreat Offerings

1. During these retreats, Master Yogiraj transforms you by direct spiritual energy and soul-consciousness. The participant often experiences energetic changes, such as a pleasant sensation of being like a 60-watt light bulb imbued and awakened with 1000 watts of energy.
2. Of enormous import is the opportunity to make personal contact with Yogiraj and get answers to spiritual questions, which may be deeply personal and salient to you during Q&A sessions every day.
3. Sacred teachings are imparted by spiritual initiation, in which you will learn basic and advanced yoga meditation methods which deepen your connection with the divine indweller and lead you to self-realization, including but not limited to (at the Master's discretion):

Meditated to furthering Human Awareness
Dedicated to serving Humanity as one's larger Self
Devoted to making Human life a happiness on Earth

- Kundalini Kriya Yoga - The crest jewel of Hamsa Yoga is the rejuvenating spiritual breath known as Shiva-Shakti Kriya, for the Evolution of Human Consciousness. Every cell becomes oxygenated and flooded with pranic life. This initiation empowers the practitioner to experience the expanded still mind, spheres of consciousness and bliss – one's natural state of enlightenment.
 - Jyoti Mudra – Advanced technique of Kundalini Kriya Yoga in which you transform your energy to light consciousness, and see your own 3rd eye to penetrate the center of transcendental consciousness.
 - Nabho Kriya – Advanced technique of Kundalini Kriya Yoga in which you perfect mental steadiness and emotional balance, and energetic harmony.
 - Siddhanath Surya Yoga - Self healing with solar power; a dynamic osmosis of solar pranic healing shakti.
 - Sacred ancient Mantras and devotional chanting.
4. Teacher training certification: Yogiraj will empower souls he deems ready by giving investiture into the stream of the Hamsasevak (servant of Humanity, apprentice in training to become authorized teachers), or hamsacharya (a sevak who is authorized to teach other sincere seekers the Hamsa and Kriya yoga of Master Yogiraj).

Benefactors Program

As a participant of benefactors program you are included in all the activities of the general retreat program and in addition, you will enjoy a rare opportunity to spend a day and meditate in the direct spiritual healing aura of the Master. Experience the divine alchemy of the ages, the sacred alchemical tea ceremony with the philosopher's tablet in private satsang (gathering). Receive special blessings and healing transmissions by Yogiraj. You will enjoy rare privilege of spending a day with Yogiraj in private small group setting – an opportunity to make personal contact with Yogiraj and get answers to spiritual questions, which may be deeply personal.

Benefactors share and support to realize Yogiraj's vision of providing for souls a beautiful ashram amongst the pristine and spiritually charged wilderness of the Snow Capped Himalayan Mountains.

Note: Schedule might change based on Yogiraj's discretion.

Yogiraj will be constantly transmitting healing energy throughout the course of the retreat. The best way to tune to Yogiraj to receive his transmissions and grace is to be like a child of five without any expectations and have utter faith in Yogiraj. Also form a golden gate bridge connection between your heart and his heart visualizing him in your heart and mind.

This is a very intensive retreat. Sufficient breaks are given as per Yogiraj's wisdom to prevent his transmissions and the practices from interfering with the digestion, assimilation and absorption of the food consumed at the retreat and vice versa.

If these breaks are not given then it is possible that maximum of Yogiraj's healing, rejuvenation and spiritual evolution transmissions will not be able to inter-penetrate the subtler bodies of the attendees and the experience would be diluted.

Footnote: * - Separate registration and dakshina(fee) required for Spiritual Name and Mantra empowerment.

--- All events in the schedule will happen in the USO hall unless announced otherwise. ---

For the vibrations of the personal mantra and/or spiritual name to be effective Yogiraj might rearrange certain karmas of the individual as well as take some of their karmas upon himself. Giving a personal mantra and/or spiritual name comes with great responsibility for the giver as well as the receiver. The empowerment of Personal mantra and Spiritual Name are based on the science of sound vibrations.

Venue Details Fort Worden State Park Conference Center is a 434-acre multi-use park with over two miles of saltwater shoreline and a wide variety of services and facilities. The park rests on a high bluff overlooking Puget Sound. Many historic buildings remain at this 19th century military fort. All accommodations are located on beautiful state park grounds that have miles of trails, sandy beaches and unparalleled views of the Cascades and the Strait of Juan de Fuca. Their staff is sensitive to the special dietary needs of some of their guests and makes every effort to accommodate requests whenever possible.

History: Fort Worden, along with the heavy batteries of Fort Flagler and Fort Casey, once guarded nautical entrance to Puget Sound. These posts, established in the late 1890s, became the first line of a fortification system designed to prevent a hostile fleet from reaching such targets as the Bremerton Naval Yard and the cities of Seattle, Tacoma and Everett. Construction began in 1897 and continued in one form or another until the fort was closed in 1953. The property was purchased as a state park in 1955. Fort Worden is named after Rear Admiral John L. Worden.

Fort Worden State Park Conference Center is located in the Victorian seaport of Port Townsend, Washington state.
