

# 2019

Global Azure  
BOOTCAMP

Thank you for attending the Global Azure Boot Camp event! This day would not be possible with the hard work of your local organizers and backing of local and global sponsors. Below you'll find some great giveaways our global sponsors have provided for EVERYONE who attended the event. Please read carefully on how to redeem the offers below and note that many have expiration dates so please redeem them quickly.

CloudMonix is an Azure monitoring and automation platform. It provides in-depth monitoring of 30+ Azure services, automated recovery of production issues, sophisticated auto-scaling, integration to many 3rd party products and much more. All attendees receive a promotion code good for **2 months of free usage for either Ultimate or Professional plans!** Visit <http://bit.ly/globalazure2019-cloudmonix> to register and enter the coupon code GAB2019.

Serverless360 is the comprehensive way to manage and monitor Azure Services related to Enterprise Integration. All attendees can try **Serverless360 with limited time Gold Plan for free.** Visit <http://bit.ly/globalazure2019-serverless360> to redeem. Serverless360 coupon code is only valid until May 10<sup>th</sup>. You must activate it before then.

Kemp puts multi-cloud application experience (AX) within your control. Kemp's application experience fabric (Kemp 360) gives enterprises and service providers a centralized, interconnected overlay that simplifies how to optimize, analyze and secure apps across any mix of environments. Power your always-on application experience at [kemp.AX](http://kemp.ax). Kemp is providing **a trial of their LoadMaster (load balancer) tool to all attendees, as well as Kemp 360 central licenses to manage load balancers on a variety of platforms.**

Redeem the LoadMaster at <http://bit.ly/globalazure2019-kemploadmaster>

Progate is an online platform where anyone can learn modern programming skills such as JavaScript, Python, Ruby and more, without having to watch any videos! Progate has intuitive slides and exercises, beginners can easily learn new programming skills while experienced coders can brush-up their programming basics. Learn from anywhere with the full-screen web version or Progate mobile app.

Progate is offering a **free 1-month subscription of the entire platform**, for all participants of Global Azure Bootcamps this year.

Visit <http://bit.ly/progateaccessgab2019> to activate your subscription.

RevDeBug: True Observability Platform for DevOps and Cloud-Native. With "almost zero" impact on performance, bring together in-production record & replay debugging with fastest root cause analysis, automated rollbacks and performance profiling. Fix fast or die! **All attendees get a RevDeBug Enterprise license for three months free.**

Visit <http://bit.ly/globalazure2019-revdebug> to sign up!

The Global Azure Boot Camp Team would also like to thank the following sponsors who provided a prize or support for each location!

Please thank the local organizers and sponsors!
