

STEP AUSTRALIA CONFERENCE 2019

Trusts and Estates – Preparing for the Next Decade

VIBRANT SOCIAL PROGRAMME

Programme Focus:

This STEP Conference, bringing together leading minds in trusts and estates from across STEP Australia and beyond, is not to be missed.

The programme is designed to enable practitioners to update their knowledge of recent developments, and to hear about cutting edge industry trends.

The various presentations will review and comment on the challenges posed by current trends, including trustee's indemnity and obligations, settlements, family provision, modern discretionary trusts, mutual wills, valuation of family entities, forgiveness of debts by will, estate administration & tax on disclaimer, and succession laws across Australia. Included in the programme is our Canadian expert who will give insight to 'When the IRS' long-arm reaches down under'.

The programme also provides an unparalleled opportunity to network with Australian trust and estate practitioners.
