

# Making the Most of Classroom Interactions – Preschool

*Over the course of ten (10) sessions, our instructors provide in-person training to teachers, care providers and coaches preparing them to identify, understand, and apply stronger Preschool CLASS<sup>®</sup> interactions to their classrooms.*

## *Why MMCI?*

Teachers, care providers and coaches who participate in MMCI Preschool workshops:

- Learn to identify and describe effective interactions in classrooms and care settings
- Discuss ways to interact intentionally to increase children's learning
- Gain access to MyTeachstone as well as valuable print and video resources aligned with CLASS domains

Participants can receive up to 20 professional growth hours for completing the series of ten MMCI Preschool sessions through Teachstone.
