

Marwa Zaatari, PhD

Vice President, Building Solutions

Marwa Zaatari is Vice President of Building Solutions at enVerid Systems since 2015. She leads design of ventilation and filtration/sorption systems in buildings, manages filtration/sorption systems installations and integration into HVAC systems, energy and indoor air quality protocol development and field measurements and monitoring. Prior to this, Marwa worked as a consultant for Trinity Consultants where she prepared state and federal air quality permit applications for various industries, including chemical factories, oil and gas production, among others. Marwa holds a Ph.D. degree in Mechanical Engineering from the University of Texas at Austin in 2013. Dr. Zaatari is a winner of The News' 2017 Top 40 under 40 HVACR award.

Marwa is a member of several ASHRAE Committees, Voting member of 62.1, ASHRAE Chair for Indoor Air Quality Procedure (IAQP) Working Group, a LEED Committee member, and Chair of LEED IAQP Working Group.
