Industry Day

The 2012 National Aeronautics and Space Administration (NASA) **HUBZone Industry Day** hosted by Glenn Research Center (GRC) provides a unique environment for Historically Underutilized Business Zones (HUBZones) and other small businesses to meet face-to-face to share their products and services with the Center's technical advisers and coordinators, along with representatives from the Office of the Chief Technologist, the Office of Procurement, and other Federal agencies.

In addition, attendees will have an opportunity to schedule one-on-one sessions with the Agency's small business specialists and the Center's prime contractors. The Center program offices will be available to answer questions.

Businesses will also learn about upcoming opportunities at NASA!

Event date:

Tuesday, June 19, 2012

Event location:

Ohio Aerospace Institute (OAI)
22800 Cedar Point Road
Cleveland, OH 44142

Registration deadline:

Friday, June 8, 2012. Reserve your spot TODAY!
