

PROJECT MANAGEMENT

Skills for Social Change

from concept to completion

August 21, 2014 • 9:30am - 4:30pm

This workshop will give you the skills and tools you need to succeed in managing a project and a project team. Learn how to take an idea, concept or assignment and move it through the phases of a project to meet or exceed stakeholder's expectations.

The workshop includes hands-on practice:

- Creating a project scope
- Identifying deliverables
- Specifying a plan and timeline
- Analyzing and mitigating risks
- Working with project team dynamics

NEW: Team discount for 3 or more people from the same organization. Bring your own project!
