Its our 25th Anniversary and we are delighted to invite you to participate in Indaba & Africa Accelerating 2019, a three-day, four-event program focusing on current trends and trade and investment opportunities in Africa. We have prepared a number of exciting and flexible packages for you to maximize the value of your participation in one or more of the events. **Packages also include your annual Chamber membership and recognition as a Chamber 25th Anniversary Partner.**

1. 18th Annual Indaba Evening - October 10, 2019 - evening

This is the premier African business networking event on the Canadian calendar featuring a who's who of senior business executives and government officials active, or interested, in Africa. Our keynote speaker for 2019 is Magatte Wade. Ms. Wade is passionate about entrepreneurship and creating high-end retail brands based on diverse African traditions that change the perception of Africa. She was born in Senegal, educated in France, and launched her entrepreneurial career in San Francisco. Ms. Wade is the founder and CEO of Tiossan, a high-end skin care products line, founder of Adina World Beverages, and an internationally recognized entrepreneur, business author and lecturer.

Our Indaba evening features a high-level networking reception with an informal wine tasting and incredible African cuisine (food stations and hand-passed selections) and an authentic African sculpture and art market. The evening will be a celebration of our 25th anniversary, a combination of fun, food and excellent networking opportunities with leading business and community leaders active in Africa.

2. 4th Doing Business in Africa Today seminar - October 8, 2019

This afternoon seminar will cover the reality of doing business in Africa in 2019 including presentations and panel discussions on the opportunities from Africa's new Continental Free Trade Area Agreement, Canada's "secret weapon" in Africa, Africa's diversity advantage and opportunities for Canadians arising from The Chamber's inaugural business conference held in Africa in March 2019.

3. 4th Infrastructure in Africa: Power, Technology and Mining seminar - October 9, 2019

Infrastructure is crucial to the socio-economic development of all emerging economies, and particularly Africa and the natural resources sector. This seminar with Hatch, Global Affairs Canada and Power Africa will focus on infrastructure opportunities arising from The Chamber's inaugural business conference held in Africa in March 2019, municipal infrastructure and alternative energy opportunities for Canadians in Africa.

4. Natural Resource Development: The Success Template for Canadian Firms - October 10, 2019

Canadian mining companies have been the greatest success stories in the socio-economic development of Africa. This afternoon seminar will profile these companies, what made them successful in Africa and what lessons can be learned for other Canadian companies in other sectors, particularly agriculture and agro-processing. Sessions will include the financing of projects as well as understanding the regulatory environment around cannabis opportunities in Africa.

5. Affiliated Events

The Canada-Nigeria Business & Investment Summit

The Chamber is pleased to be a partner in The Canada-Nigeria Business & Investment Summit taking place from October 10-12, 2019. Africa Accelerating participants can participate with preferential pricing.

Participation Options

We have prepared a number of exciting and flexible packages for you to maximize the value of your participation in one or more of the events. The most cost-effective option is the full Indaba sponsorship at the Diamond (\$6,500) or Platinum (\$3,900) level which includes sponsorship of all of the other seminars (including tickets) giving you the best return on your investment. Packages also include your annual Chamber membership and recognition as a Chamber 25th Anniversary Partner.
