

Sponsorship Opportunities

April 10, 2018, 6-8 pm
Hamilton Hall University of the Arts
320 South Broad Street, Philadelphia

Event Program

The evening will be rich in networking opportunities, delightful food, and fabulous drinks. Attendees will see an exhibition of the best of the Collaborative Design Grants in neighborhoods throughout the city. Community members and volunteer design professionals will share powerful stories of leveraging creativity and design to catalyze equitable neighborhoods. A community design champion will be recognized for their work.

Why Leverage?

Leverage is the ability to influence a situation, gaining the maximum advantage from an investment of time or resources. For over twenty-five years, the Collaborative's volunteer design professionals have worked side-by-side with community groups to put their visions down on paper and advance to the next step: gaining support, raising funds, and building projects to strengthen our neighborhoods and our city. Sponsor Benefits and Visibility

In addition to publicizing your sponsorship on our website, in our publications, and at the event itself, our extensive media and public relations campaign will extend the reach of the sponsorship both before and after the Leverage event. See following page for details.
