## About Graveney School

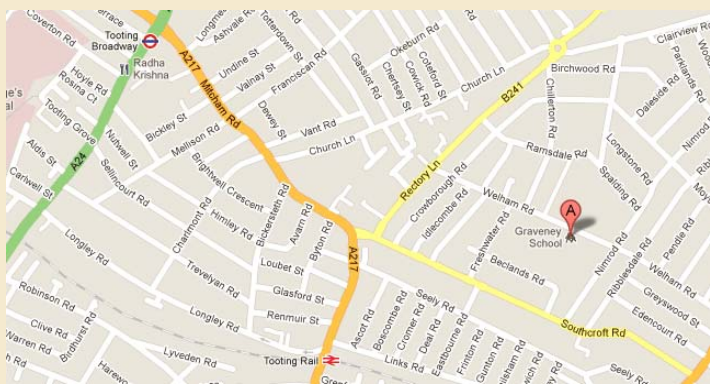

Graveney is a very high performing comprehensive school in Tooting. We have a specialism in Technology and in May 2011 OFSTED rated the school as Outstanding. We have been using Fronter for over three years and it is now embedded into the school's working practice.

## Getting here

Graveney has limited parking on site during the day but all of the surrounding roads are free to park on at any time. The nearest tube is Tooting Broadway which is about 15 minutes walk.

## INSET events

Each session will run from 4:00pm – 5:00pm and they comprise of a mixture of skills based tutorials and opportunities to share good practise and to network with other schools. There may also be other local schools presenting their use of implementing Fronter.

## Fronter Workshops

2011/2012  
INSET Guide

'Forward Thinking'

Dear Colleagues,

Welcome to Graveney School in Tooting and to our Fronter workshop programme for 2011/2012.

We have recently been awarded the 'London MLE Champion' status and as part of this we have developed a programme that will enable good practice to be shared across schools. It will also help schools to explore the various areas of Fronter and to learn new skills that will help their students to engage with Fronter.

All Workshops, unless specified, are aimed at both Primary and Secondary. Although they are offered on a drop in basis, it would be helpful to let us know in advance of your attendance. We aim to offer practical 'hands on' workshops where you can work on your own Fronter areas in a supportive and friendly environment.

If you would also like to present at any of these events then we would also very much welcome your input.

Finally, if you have any questions regarding the workshops or perhaps you would like to book a place, please feel free to contact us using the details below. We look forward to welcoming you to our school.

## Fronter INSET

All sessions will take place in room 214 and will be coordinated by our Fronter Team, lead by Rob Heathcote and Stacia Long. They will run from 4:00pm – 5:00pm.

Please sign in at reception and someone will come to meet you.

Date	Topic
Wednesday 1 <sup>st</sup> February 2012	<b>Session 1: Show and tell event</b> Learn about how we are using Fronter at Graveney and the projects that we are involved with. Compare and contrast our approach with the approach of other local schools.
Wednesday 14 <sup>th</sup> March 2012	<b>Session 2: Creating and editing pages</b> Find out how to create front pages for your rooms and how to format them for maximum impact. Work on pages for your own Fronter rooms during the session.
Wednesday 25 <sup>th</sup> April 2012	<b>Session 3: Forums and online homework submission</b> Explore the different types of forum that are available and find out how to set and mark work using Fronter.
Wednesday 13 <sup>th</sup> June 2012	<b>Session 4: Tests and votes</b> Introduce some interactivity by using self marking tests and votes on your Fronter pages.
Wednesday 11 <sup>th</sup> July 2012	<b>Session 5: Open workshop</b> Celebrate your work so far and think ahead to the future. Come with your questions and we will try to answer them!
