## About Queen Elizabeth's Girls' School

QE is a very high performing comprehensive school in Barnet. We have two specialisms; Media and Performing Arts and Maths and Computing. We were judged 'Outstanding' by Ofsted in November 2007 and have now appeared twice on Ofsted's 'Outstandingly Successful Schools' list.

## INSET events

Each session will run from 4:00pm – 5:30pm and they comprise of a mixture of skills based tutorials and opportunities to share good practise and to network with other schools. There may also be other local schools presenting their use of implementing Fronter.

## Fronter Workshops

2011/2012  
INSET Guide

'Forward Thinking'

Dear Colleagues,

Welcome to Queen Elizabeth's Girls' School in Barnet and to our Fronter workshop programme for 2011/2012.

We have recently been awarded the 'London MLE Champion' status and as part of this we have developed a programme that will enable good practice to be shared across schools. It will also help schools to explore the various areas of Fronter and to learn new skills that will help their students to engage with Fronter.

All Workshops, unless specified, are aimed at both Primary and Secondary. Although they are offered on a drop in basis, it would be helpful to let us know in advance of your attendance. We aim to offer practical 'hands on' workshops where you can work on your own Fronter areas in a supportive and friendly environment.

If you would also like to present at any of these events then we would also very much welcome your input.

Finally, if you have any questions regarding the workshops or perhaps you would like to book a place, please feel free to contact us using the details below. We look forward to welcoming you to our school.

## Fronter INSET

All sessions will take place in room 214 and will be coordinated by our Head of ICT, Kenneth Laing. They will run from 4:00pm – 5:30pm.

Please sign in at reception and someone will come to meet you.

Date	Topic
Tuesday 16 <sup>th</sup> January 2011	<b>Session 1: Show and tell event</b> Learn about how we are using Fronter at QE and the projects that we are involved with. Compare and contrast our approach with the approach of other local schools.
Thursday 9 <sup>th</sup> February 2012	<b>Session 2: Creating and editing pages</b> Find out how to create front pages for your rooms and how to format them for maximum impact. Work on pages for your own Fronter rooms during the session.
Tuesday 13 <sup>th</sup> March 2012	<b>Session 3: Forums and online homework submission</b> Explore the different types of forum that are available and find out how to set and mark work using Fronter.
Wednesday 18 <sup>th</sup> April 2012	<b>Session 4: Tests and votes</b> Introduce some interactivity by using self marking tests and votes on your Fronter pages.
Thursday 17 <sup>th</sup> May 2012	<b>Session 5: Open workshop</b> Celebrate your work so far and think ahead to the future. Come with your questions and we will try to answer them!
Wednesday 20 <sup>th</sup> June 2012	<b>Session 6: Whole school implementation</b> Discuss how to implement whole school Fronter projects and how to boost your school's usage of Fronter.
