

US Relationship Workshop

It's not about you. It's not about me. It's about us!

Based on results we are good at planning weddings, but horrible at preparing for marriage.

Through discreet interactions with your partner, you will experience the tremendous possibilities available in your relationship now.

It is an opportunity to transform the quality and character of your relationship through

the way you relate to one another coming together in one accord and leaving a legacy of unity for generations to come.

"Becoming what you have never been requires going where you have never gone"

Registration fee \$750 per couple. A voluntary offering will be received

at the conclusion of the workshop. The workshop takes place over three consecutive days (generally Friday, Saturday & Sunday). Day 1 begins at 10:00 am and ends at 9:00 pm. Day 2 begins at 9:00 am and ends 6:00 pm, but make no plans except to be with your partner the rest of the evening. Day 3 begins at 12:00 and ends at 6:00 pm.
