

Community Energy Planning Workshops

Do you want to know how your community can increase efficiency, reduce energy cost, and reduce GHG emissions? Register for a Community Energy Planning Workshop offered by QUEST NB. If you are a municipal official, planner, energy manager, regional or local partner, this workshop is for you!

View details and register here: <http://communityenergyplanning.eventbrite.ca>

Workshop Goals:

1. To engage municipalities and local stakeholders to learn about Community Energy Planning and relevant energy policy in New Brunswick
2. To enable participants, through table-top exercises, to identify and discuss aspects of CEP
3. To facilitate regional collaboration and planning to advance CEPs

Agenda – 1 p.m. to 4:30 p.m.

Item	Time	Description
1	1 pm	Welcome / Opening Remarks
2	1:10 pm	What is a CEP? State of CEP in Canada Link: www.gettingtoimplementation.ca
3	1:20 pm	Overview of CEP Primer for NB Municipalities – including CEP Steps Link: www.questcanada.org/nb
4	1:30 pm	Panel + Q&A (Municipalities/Utilities)
5	2:10 pm	Break
6	2:25 pm	Presentation – assessing opportunities at local/regional levels through table top exercise and group discussion
7	2:40 pm	Table top exercise – Using Regional and Local Maps
8	3:25 pm	Plenary Highlights / Discussion
9	3:40 pm	Matrix exercise: instructions will be provided. Participants will get a chance to answer 4 questions – what are 1. CEP Opportunities. 2. Barriers. 3. Needs. 4. Recommendations/or Who Should be Involved?
10	4:00 pm	Group Discussion (discuss responses / choose a few key points) Plenary Highlights (share key points)
11	4:25 pm	Evaluation, Close (4:30)
