

Thank you for your interest in touring the Regional Resource Recovery Centre (RRRC). In order for your expectations to be met and for safety and insurance purposes, it is essential that ALL members of your group read understand and agree with the information below.

Cost – No charge.

Duration – Approximately 1.5 hours.

Tour Guide – Southern Metropolitan Regional Council staff.

Tour Numbers – Minimum of 4 and **maximum of 25 people** (or one school class). For safety reasons, a ratio of 1 adult for every 8 school students is required. If group numbers increase or decrease, please notify the RRRC so that your needs can be accommodated.

Children – Tours are recommended for children aged 6 and above. All children must be accompanied by an adult for safety reasons with a ratio of 1 adult for every 8 school students required. Due to the industrial working nature of the site, misbehaviour will not be tolerated and hence it is essential that supervising adults actively monitor children's behaviour and intervene if necessary.

STAIRS – Two separate staircases of approximately **40 STAIRS** each. Platforms are located approximately every ten stairs (*alternative options may be available – please contact the RRRC to discuss*).

What to Wear – **ENCLOSED FOOTWEAR** is essential for safety reasons. For insurance purposes, no one will be allowed to participate in a tour without the required footwear.

What to Bring – Visitors will spend time outdoors and should bring their own sun/wet weather gear.

A small drink bottle is also recommended. Please note that the Southern Metropolitan Regional Council is not liable for the loss or damage of personal belongings.

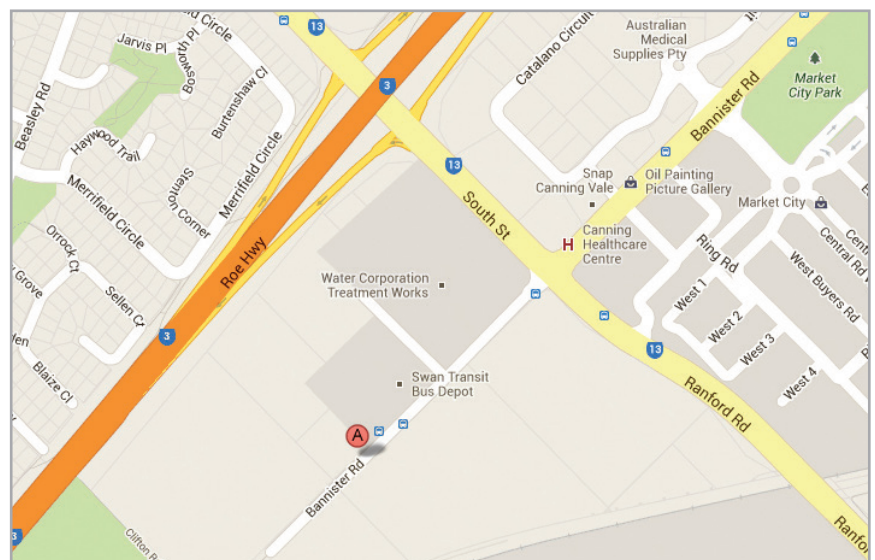

Arrival – Please report to reception on arrival. Please note that visitors must stay with their tour group and that no visitors are allowed on site unless escorted by a tour guide or member of staff. If you are arriving separately, please make sure you are all on time. Latecomers will miss out if the tour has left the starting point. We encourage you to meet somewhere central and car pool from there.

Smoking – Smoking is not permitted during tours.

Extreme Weather Conditions – As tours involve spending time outdoors, tours may be re-scheduled in extreme weather conditions.

Emergency – In the event that an evacuation is required during your tour it is essential that all visitors follow the directions of their tour guide and/or SMRC staff.

Maintenance – Whilst every effort is made to ensure machinery is operational during tours, maintenance is sometimes required during tour times.
