A tentative schedule of the week is on our website www.sc.edu/oppa. Reserved spaces for the program are administered on a **first come, first served basis**. The first 20 applicants, whose application and \$50 non-refundable deposit are both received, will have priority enrollment. The deposit will be applied to the \$895.00 program registration fee, and the remaining \$845 may be paid in three installments (see below). **The price for USC students is \$695.** Credit card payments will be accepted. A waiting list will be set up in the order that additional applications are received. We cannot guarantee space in the program to those students placed on the waiting list; however, deposits for those on the wait list will be refunded if not accepted.
