

2016 IIDA DESIGN AWARDS

Dear Design Colleague:

We are pleased to invite you to participate in the 12th Annual Interior Design Awards competition sponsored by the PA|NJ|DE Chapter of the International Interior Design Association.

Each year the Interior Design Awards recognizes outstanding built work designed by IIDA members in Pennsylvania, New Jersey, and Delaware. The awards offer an opportunity to celebrate design excellence in our region and highlight the individuals and project teams responsible for the success of these noteworthy projects. Projects will continue to not be judged in competition with each other, but rather by measuring the designer's performance against each project's potential.

As in past years, competition entries will be judged by a panel of senior design professionals in New York and all entries will be publicly displayed at the gallery space during the awards ceremony. The jurors will review the entries *as a slide show of projects and* select the award winners. Award winners will be announced at a reception on June 23, 2016. The jury will have sole discretion to determine whether to select a recipient for an award. Awards will be given in the best overall submission in the following categories:

- Corporate
- Hospitality
- Retail
- Education/Institution
- Healthcare
- Residential

We look forward to receiving your competition entry and hope you will join us on June 23, 2016 at The Barnes Foundation.

Sincerely,

The IIDA PA/NJ/DE Chapter Interior Design Awards Committee
