

2017 IIDA DESIGN AWARDS

Dear Design Colleague:

We are pleased to invite you to participate in the 13th Annual Interior Design Awards competition hosted by the Pennsylvania|New Jersey|Delaware Chapter of the International Interior Design Association.

Each year the Interior Design Awards recognizes outstanding interior environments designed by IIDA members in Pennsylvania, New Jersey, and Delaware. The awards offer an opportunity to celebrate design excellence in our region and highlight the individuals and project teams responsible for the success of these noteworthy projects. Projects will continue to not be judged in competition with each other, but rather by measuring the designer's performance against each project's potential.

As in past years, competition entries will be judged by a panel of interior design professionals from across the country and all entries will be publicly displayed within the Franklin Institute's gallery space during the awards ceremony. The jurors will review the entries *as a slide show of projects* and select the award winners. Award winners will be announced at a reception on June 28, 2017. The jury will have sole discretion to determine whether to select a recipient for an award. Awards will be given in the best overall submission in the following categories:

- Corporate (under 20,000 SF and over 20,000 SF)
- Hospitality (under 30,000 SF and over 30,000 SF)
- Retail (under 30,000 SF and over 30,000 SF)
- Education/Institution (under 30,000 SF and over 30,000 SF)
- Healthcare (under 50,000 SF and over 50,000 SF)
- Residential (under 10,000 SF and over 10,000 SF)
- Viewer's Choice Award (via Facebook album reaction voting)

We look forward to receiving your competition entry and hope you will join us on Wednesday, June 28 2017 at The Franklin Institute.

Sincerely,

The IIDA PA/NJ/DE Chapter Interior Design Awards Committee
