

**New Jersey  
Chapter**

**Northeast Regional Chapters** ENGINEERING PHARMACEUTICAL INNOVATION

# Student Leadership Career Forum 2012

## What is the Student Leadership Career Forum?

A full day workshop for students providing insights on careers in the pharmaceutical, biotech and manufacturing industry where an exchange of information, ideas and lessons learned can be shared among attendees. Some key items highlighted include resume reviews by mentors, interviewing skills, professional etiquette, and networking skills.

## Who Should Attend:

- ▶ Students interested in pharmaceutical biotech and medical device and healthcare industry as a career choice
- ▶ Students nearing graduation
- ▶ ISPE Student Chapter Officers and members
- ▶ ISPE Student Chapter Faculty and Industry advisors

## Benefits for Students

- ▶ Networking opportunity with industry professionals
- ▶ Insights and preparation for job interviews
- ▶ Tips for setting you apart from the competition

## Topics for the event

- ▶ Empowerment Skills
- ▶ Networking workshop
- ▶ Roundtable for professionals and students—careers, degrees, and how they relate
- ▶ Interviewing guidelines
- ▶ Insights into what the hiring manager is looking for in a resume and interview
- ▶ Student's personal resume critique
- ▶ Leadership insights and setting career goals

## Cost/Registration

\$25 for workshop, includes continental breakfast, lunch and break refreshments
