REFERENCE AND REGULATE WORKSHOP
an effective, evidence-based autism intervention.
Developing skills so persons with ASD can learn for themselves.

INTRODUCTORY & INTERVENTION WORKSHOP
February 27 & 28, 2014  9:00am - 3:00pm
FVCDC Plaza 154 - #105-32885 Ventura Ave, Abbotsford

Registration online:  Click here for link
$325.00pp (earlybird)  or  $375.00pp (regular)
(You may also register for only the introductory or intervention workshops, further information via link)

TARGET AUDIENCE
Introductory Workshop is suitable for parents, speech language pathologists, occupational therapists, supported child care consultants, infant development consultants, social workers, teachers, educational assistants and childcare workers supporting children with autism.

David Loyst has a master’s degree in Speech Language Pathology and over 20 years practicing in hospitals, child development centres, schools and home-based intensive intervention programs.

Based on research and clinical practice he has developed a treatment program (Reference and Regulate®) addressing the core deficits of autistic spectrums disorder.

Intervention Workshop is an interactive and hands-on workshop, intended for persons providing intervention or school support.

PRESENTER:
DAVID LOYST
David Loyst has a master’s degree in Speech Language Pathology and over 20 years practicing in hospitals, child development centres, schools and home-based intensive intervention programs.

Based on research and clinical practice he has developed a treatment program (Reference and Regulate®) addressing the core deficits of autistic spectrums disorder.
