

RELATIONSHIPS AND SEXUALITY EDUCATION IN SCHOOLS

Professional Development Workshop

Do you need ideas on how to implement effective relationships and sexuality education (RSE) in the classroom or school community?

Would you like to increase your confidence and skills to teach this challenging subject area?

This FREE 2-day workshop will assist you to plan, implement and assess effective RSE in school settings.

We will highlight the Growing & Developing Healthy Relationships resources (see www.gdhr.wa.gov.au) and will also explore other innovative resources and techniques that will help you to present key concepts to students.

More information overleaf...

Event Details

Date: Thurs 19th & Fri 20th October, 2017

Time: 8:15-4pm

Location: Technology Park Function Centre, Bentley

Cost: This is a free event

RSVP: [Register your interest here](#)
or visit

www.sreteacherproject.eventbrite.com.au

Important notice:

Your place in this workshop is not automatically guaranteed upon completion of the registration form. The registration period closes on 15th September, 2017 and final places will be confirmed after this date. Demand for places is expected to be high and we apologise in advance if you are not successful in gaining a place in this round.

Preference will be given to teachers and applicants with the greatest need for RSE professional development training.

Group registrations (i.e. multiple staff from one school) are strongly encouraged. If you are not a school teacher, we still encourage you to apply, but your application would be strengthened if you can include at least one teacher from your school.

- * Schools will be reimbursed for any teaching relief expense they incur (up to \$400 per teacher per day). Coverage for non-teaching staff (e.g. nurses) is not available.
- * This workshop is targeted for individuals working with year 4-10 students.
- * Full attendance on both days is required. A certificate of attendance will be provided on completion of both days.
- * Lunch and refreshments are provided.
- * Attendees will need to complete some pre-reading prior to attending this event. This work will take less than 2 hours and you will receive official recognition for this self-directed learning.
- * For people travelling >100km to Perth, some funding is available to assist with travel expenses. Please complete the necessary details as part of your registration and we will advise you of the assistance we can provide if/when your place in the workshop is confirmed.

The following topics will be covered in this training:

- What is meant by RSE?
- Overcoming barriers to delivering effective RSE
- A whole-school approach to RSE
- Affirming diversity
- Sexually transmissible infections (recent stats)
- Protective behaviours
- Love and relationships
- Implications of social media and sexually explicit imagery
- Engaging classroom strategies
- Latest resources

All our programs are generously funded by the WA Department of Health, Sexual Health & Blood-borne Virus Program.
